THE SPINNEY CARE HOME

Dear friends,

With a fresh new season upon us, our home is bursting with brightness and vibrancy! Take a glimpse into our delightful spring escapades in our latest newsletter.

Hop hop hooray!

Back in December, we were ecstatic to have a visit from a rare albino baby wallaby, who hopped into The Spinney for cuddles with our residents. Eight-month-old Wilson delighted everyone as he hopped around our lounge. We organised for the team from Performing Pets to bring the baby marsupial for a visit as part of an animal-assisted therapy session. The home was buzzing with excitement during and after the visit, and many of the residents enjoyed spending time with the wallaby, stroking him or having a cuddle. What an experience!

An egg-citing Easter

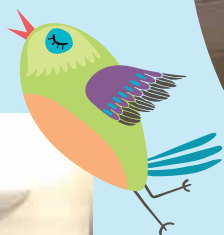

Back in April, we had a wonderful time celebrating Easter here at The Spinney. Everyone was in the party mood, with the brilliant Clayton entertaining us all. There was lots of singing along and dancing to the music. It was lovely to have loved ones and friends join us, and we even had a visit from not one, but two Easter Bunnies! A wonderful time was had by all, and a big thank you to our kitchen team for the delicious buffet.

Spring has sprung!

At the start of March, we were overjoyed to welcome a baby lamb into our home. Thank you to Performing Pets for bringing in our new woolly friend. They also bring a different animal each month for snuggles and strokes from our residents, and the team! What better way to kick off spring.

Recycle and reuse

We welcomed in spring by getting creative with our arts and crafts. A few of the residents took part in a spot of 'flower arranging' making these beautiful hyacinths. Can you guess what they are made of? Yes, that's right! We went green and reused our empty kitchen rolls, adding some paint, glue, and coloured tissue paper. We think they are beautiful!

With love,
Lisa Wright
